

# Billie Rattenmörder and Butcher: The last ratcatchers in Mordheim.

"One rat, two rats, three rats. More. Five rats, six rats. Send them to Morr." – the song of Billie Rattenmörder, heard emanating from the ruins of the venerable guild of ratcatchers.

Few survived the last days of Mordheim undamaged. Indeed, it is certain that neither, Billie nor butcher did so. However, unlike many, it was not the corruption and madness of city that damaged them. It was the aftermath. Billie was an Apprentice of the Ratchatcher's guild, and is the last surviving member of that august institution. She was hard at work in the sewers at the time of the comet's impact; a fact that surely saved her life. However, the ruin of the city, and the emergence of the ratmen, have driven her to a shade of madness, as she quests to rid her city of the cursed rats.
